EDUCATION

SEPT, 2014 - MAR, 2018
University of Kent |
BSc - Computer Science with Placement
Completed with First class honours.
Notable Modules:

- *Algorithms, Correctness and Efficiency.*
- *Database Systems.*
- *Cognitive Neural Networks.*
- *Functional and Concurrent Programming.*
- *Human Computer Interaction.*

SEPT, 2013 - JUL, 2014
Newham College |
Access to HE - Computing & Maths
Completed with full distinctions.
Notable Modules:

- *Statistics.*
- *Calculus.*
- *The Binary Number System.*
- *Program Testing.*

Trancripts available on website or via request.

Notable Skills: *JS, HTML5, CSS3,* **React, npm,** *UML, Erlang, PHP,* **Golang,** *Ocaml,* **MySQL**, **Docker**, *C++,* **Java,** *Vaadin, Bitbucket,* **gRPC,** *CRMs,* **Jira, Kubernetes, REST.**

EXPERIENCE

JUN, 2018 - PRESENT
Visa Europe Ltd.|
Software Engineer
Consulted with stakeholders using own technical expertise and analysis abilities to build automation tooling for critical systems within a Microservice Oriented Architecture. Targets of lowering human error and increasing throughput were met by employing Golang, Protobuf, gRPC, and agile development methodologies.

- Appointed to Social Engagement Committee and successfully organised and hosted staff events.
- Designed and led Golang training sessions and workshops for colleagues.
- Designed, developed, and maintained numerous services at different points of their software life-cycles.

AUG, 2016 - AUG, 2017   *(Placement year)*
ProspectSoft Ltd. |
Technical Support Consultant
Deployed, maintained, and supported complex bespoke software solutions. Problem solving skills used to diagnose and resolve technical issues improving clients' experience of systems. Alongside duties sought out and produced tools to aid in work processes.

- Built a web-based dashboard which live reported current and expected workloads in numerous visual representations from grraphs to colour gradients.
- Created an internal suggestion logging and tracking website to reduce management time and aid in capturing staff ideas.

Further history or references available on request.
